

Università di Genova

UniGeApply - OUTCOME OF ADMISSION

A.Y. 2026/27

Student Number: 10055518

Name: Atif ALI Fiscal code: LAITFA93B12Z236D
Date of Birth: 12/02/1993 City: Dadu (Pakistan)

Dear Atif ALI,

we are very pleased to inform you that, at the end of the assessment of your documentation, your application to Bachelor degree course in MARITIME SCIENCE AND TECHNOLOGY (3 years - GE) - Selection for visa applicant students - Language: English has been accepted. Congratulations and a warm welcome to the UniGe community!

We are confident that this represents the first step of an exceptional human and professional training adventure, and we are happy that you have chosen us to do that together!

The next steps are (in this order):

- University: access the portal <https://www.university.it> (external portal to Unige) for your study visa application - check opening and closing dates. Remember to select the course for which you were pre-evaluated;
- Wait for UniGe validation on University;
- Online Services of UniGe: submit your pre-enrollment application - check opening and closing dates. Remember to select the course you applied for;
- Arrival in Italy;
- Online Services of UniGe: submission of the required documentation on the title and the stay in Italy;
- In case of free access course taught in Italian: final verification of the language certification held or passing the Italian language test;
- Online Services of UniGe: complete the enrollment.

Always check <https://unige.it/en/international-enrolment> for deadline updates and information on the enrollment steps. For admission to courses with scheduled access: remember to follow the dedicated deadlines and further information on the calls. Check the calls on the course web page starting from <https://corsi.unige.it/en/corsidilaurea>.

Description of the next steps:

UNIVERSITALY: Registration on the University portal (<https://www.university.it>). You can check the opening and closing dates of the University.it portal for the A.Y. 2026/27 consulting updates on the web page: <https://unige.it/en/international/enrolment-non-eu-students-residence-abroad-foreign-diploma>. Opening is generally scheduled for March each year (does not depend on UniGe but on the University portal). The closure is determined by UniGe. If the application is submitted before or after the opening /closing dates, the application will not be accepted by the University and cannot be validated and sent to

the Embassy/Consulate. This step is compulsory both for your study visa application and later for your pre-enrolment at UniGe. Please, once you have registered with your personal data (enter your personal data exactly as shown on your passport), upload to University the mandatory documents you already uploaded in the pre-assessment procedure on UNIGEAPPLY. The documents are listed below:

- i) Passport;
- ii) Bachelor's degree diploma (if you applied for a Master's degree) or secondary education diploma (if you applied for a Bachelor's degree);
- iii) Bachelor's degree transcript (if you applied for a Master's degree);
- iv) **If you have been selected for a course in English:** recognized certificate of English knowledge, level B2 (or a document certifying that your Bachelor's study program was held in English if you applied for a Master's degree);
- If you have been selected for a course in Italian:** recognized certificate of knowledge of Italian language, level B2;
- v) Diploma and transcript of any additional degree you have uploaded in the pre-assessment procedure.

Please upload the most up-to-date versions of these documents to University. If you already have the Declaration of Value (DOV) or the certification of comparability issued by CIMEA (Academic Equivalence Mobility Information Center, cimea.it) or the Diploma Supplement, also upload one of these documents. In this step, the documents (DOV or CIMEA certificate or Diploma Supplement) are not mandatory to obtain UniGe validation, but may be requested by the Embassy/Consulate.

VALIDATION ON UNIVERSITY: Once you have submitted your application to University, the UniGe Admission Office will check the information and documentation you have entered. Once your application has been verified, you will be able to download your Letter of Acceptance (by printing out the "university pre-enrolment application" summary) to be signed and presented to the relevant diplomatic-consular representations. Please note, this letter is for visa application, it is not related to the successful completion of your pre-enrollment at Unige.

PRE-ENROLLMENT: you will be allowed to enter the UniGe web portal for students and complete your online pre-enrollment with the same access keys you used for your application on UNIGEAPPLY, go to <https://servizionline.unige.it/web-studenti2/en/#/v2/preimma/td/5001/anac/2026>. Always check the dates of opening and closing of the pre-enrollment on UniGe portal. The opening generally takes place in April of each year.

ACCOMODATIONS and SCHOLARSHIPS: you can apply for a scholarship and accommodation at our Regional Agency Aliseo (for info and deadlines visit <https://www.aliseo.liguria.it/foreign-students/>).

ENROLLMENT: in order to complete the procedure, you must use the online upload service of all final documentation. For visa applicants: <https://servizionline.unige.it/web-studenti2/en/#/v2/gestionedocumenti/upload-documento/attivita/3>; for resident students: <https://servizionline.unige.it/web-studenti2/en/#/v2/gestionedocumenti/upload-documento/attivita/2>. Only following an approval (or conditional approval) of the uploaded documents will it be possible to complete the enrollment. The enrollment fee may be paid only after completing the procedure.

Note that you can complete your enrollment and pay the fee only after your arrival in Italy.

Please note that the above mentioned steps are mandatory: if you miss one of them your admission will be invalid and you will not be able to complete the enrollment.

For any information on the enrollment and living in UniGe, you can visit the webpage: <https://unige.it/en/usg/en/welcoming-international-students>

For any information regarding Bachelor degree course in MARITIME SCIENCE AND TECHNOLOGY (3 years - GE) - Selection for visa applicant students - Language: English, please write to Alessio. Tei@unige.it.
