

Napoli, May 28th, 2026

Ref.: 2026-1266-A

ACCEPTANCE LETTER

To whom it may concern

According to the documents submitted by *Muhammad Awais Shabbir* (born on 20/10/1996, *Pakistan*, passport n. *DG5130482*) for the purpose of pre-accepting the enrolment request for the Autonomous Vehicle Engineering (MOVE) Master's Degree Programme at the University of Naples Federico II and, in particular:

- the certificate of the awarded *Mechanical Engineering* degree, lasting 4 years, with marks equivalent to 91/110;
- the *curriculum vitae et studiorum* obtained by the Applicant in the courses, relevant for the successful completion of the chosen Master's Degree Programme in Italy that has been assessed, as required by the Didactic Regulations of the aforementioned Master's Degree Programme;
- the Certification for English Language at least comparable to B2 of the Common European Framework of Reference for Languages (CEFR) and/or the certification that the course followed at *University of Gujrat* was in English,

a favourable opinion is expressed for the acceptance of the application for enrolment in the Autonomous Vehicle Engineering Master's Degree Programme for the next academic year 2026-27.

Furthermore, it is established that the Applicant has a competence of the English language at least comparable to level B2 of the European Framework of Reference for Languages.

Final registration is subjected to completion of the procedure pursuant to the indications of the Italian Ministry of University and Scientific Research. The educational activities will start on September 2026.

THE CHAIR OF THE MASTER'S DEGREE PROGRAMME
IN AUTONOMOUS VEHICLE ENGINEERING

Prof. Eng. Stanislao Patalano

THE DIRECTOR OF THE DEPARTMENT
OF INDUSTRIAL ENGINEERING

Prof. Eng. Nicola Bianco
