

Nulla osta per la pre-iscrizione all'Università degli Studi di Teramo

Pre-Acceptance Letter

Dear Mr Raheela Adeeb
Date of birth: 08/12/1996
Nationality: Pakistan
Email Address: raheela.adeeb200331@gmail.com

This is to certify that:

- your pre-enrollment request has been positively evaluated for the **Master degree in Food Science & Technology of the University of Teramo** and
- you passed the test for the assessment of the "**Requirements of individual knowledge and skills adequacy**" for the enrollment in the **Academic Year 2026-27**. The test was provided according to Article. 6, paragraph 2, of Italian D.M. 270/04 and is compulsory for the enrollment at the Master degree.

This pre-acceptance has been granted **subject to the verification of the final required documents and to the submission of all required documentation** to the competent Italian Diplomatic Representative within the deadlines established by the regulations governing enrolment in Italian universities.

Please note that this **pre-acceptance letter**:

- is issued **exclusively for study visa application purposes**;
- **does not constitute final enrolment** at the University;
- **does not imply or guarantee the granting of a visa**, which remains the **exclusive responsibility of the competent Italian Embassy or Consulate**.

The **official pre-enrolment procedure for students requiring a visa** must be completed exclusively through the **Universitaly portal** (universitaly.it/studenti-stranieri), in accordance with the instructions issued annually by the **Italian Ministry of University and Research (MUR)** for the relevant academic year (A.Y. 2026/2027). When requested please upload this communication as a pre-acceptance letter.

Please note that the **Declaration of Value (DoV)** or the **Statement of Comparability issued by CIMEA-ARDI** is **not required for the issuance of the student visa**, but it is **mandatory at the time of final enrolment** at the University of Teramo.

Best regards

Emilio Chiodo

Chair

Master Degree Food Science and Technology

Teramo, 28/04/2026

FST n. 97-- 28/04/2026
